Gray?

"My hair was falling out and turning gray very fast. But your Hair Vigor stopped the falling and restored the natural color."—Mrs. E. Z. Benomme, Cohoes, N. Y.

It's impossible for you not to look old, with the color of seventy years in your hair! Perhaps you are seventy, and you like your gray hair! If not, use Ayer's Hair Vigor. In less than a month your gray hair will have all the dark, rich color of youth.

Signs of Failing Vision.

When your eyes tire in reading. When you frown, or partly close the eyes when looking at an object. When things "swim" or become dim after being looked at for some time. When the eyes ache, smart or water, or when you have pain in the eyeball, orbit, temples or forehead.

When you have any nervous derangement that you cannot otherwise account for.

All these conditions are curable by the proper glasses, such as we will furnish you after scientific examination. Artificial eyes inserted without pain. Consultation and examination free.
